

The next time you're planning a get-together, consider making it a Cook for the Cure party. It's just like any other party, but instead of bringing a host gift, ask your guests to bring a donation for the Canadian Breast Cancer Foundation. In addition to your guests' donations, KitchenAid will donate \$50 to the Foundation for every party held.

Since 2002, more than 1,300 Cook for the Cure parties have been held from coast to coast and over \$1 million has been raised for the Canadian Breast Cancer Foundation.
